# Snap-In PCB Battery Clips

## Keystone

A range of battery clips which securely hold and connect directly to the PCB. Various sizes of battery including fractional sizes can be accommodated by varying the distance between the two clips.

## Features

- Available for A, AA, AAA and N sizes.
- Mounts securely to the PCB board with advanced “Snap-In” design for through hole mounting
- “Snap-In” clip holds firmly for wave soldering
- Reliable spring tension assures low contact resistance
- Low profile, economical design
- Retains battery securely to withstand shock and vibration
- Material: Spring steel, Nickel Plate

Dimensions = in. [mm]

Keystone Code	Battery Size	Battery Diameter	Material Thickness
82	AAA & N	0.375-0.460	0.012
92	A & AA	0.531-0.665	0.015
